### **DETAILED ACTION**

1. This Office Action is responsive to communication filed on 03/29/2010.

#### ***Response to Amendment***

2. The proposed amendments to claims will not be entered because they would require further search and/or consideration. For example, claims 1, 10, 11 and 12 now recite "a title determining unit operable to determine a title of the untitled image based on the title proposals presented by said presentation unit and a user input". The previous underlined arrangements were not previously defined, thus making the amended claims more specific and necessitating further search/or consideration. Independent claims 1, 10, 11 and 12 thus would require further search and/or consideration.

#### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ASHER KHAN whose telephone number is (571)270-5203. The examiner can normally be reached on 9:00 AM to 5:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Marsha Banks- Harold can be reached on (571)272-7905. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
